

FREE BOOTH SPACE

DEAR VENDORS, CRAFTERS,
& SCHOOL GROUPS
FUNDRAISERS

**INFLATABLE
GAMES**

We want to give you free booth space. That's right. Bring your items to share, sell and promote on Thursday, June 8! That day, Dakota Valley Electric Cooperative is hosting its annual meeting. We're inviting members like YOU to sell your products, share business opportunities and raise money for your favorite charities.

We're serving a complimentary meal from 5 p.m. to 6:30 p.m. We expect a variety of attendance – children and young families, as well as grandmas and grandpas, too. At our last annual meeting in Milnor in 2015, we served about 300 people.

Vendors may set up tables as early as 3:30 p.m., and stay as long as they wish. Members are receiving this information first. So, if you'd like a space, let us know as soon as possible. We'll open booth space to the general public on Friday, May 12. Booth space is free, but please provide your own table and chairs. Arrive early, as spaces are first come-first serve only. Please specify if you need more than one 10-foot booth.

In addition to your merchandise, please bring your families! Come and enjoy the complimentary supper and join us at the annual meeting.

For more information, call 1-800-342-4671 or visit www.dakotavalley.com.

YES!

I'D LIKE FREE BOOTH SPACE AT DAKOTA VALLEY ELECTRIC COOPERATIVE'S ANNUAL MEETING, JUNE 8; AT THE MILNOR AREA COMMUNITY CENTER.
