

Local students receive \$1,000 Dakota Valley scholarship

Each year, as a part of its commitment to community and area youth, Dakota Valley awards a \$1,000 scholarship to graduating high school seniors from schools in its service area.

Over the past 19 years, Dakota Valley has awarded \$100,000 in scholarships to help 135 area students offset the costs of furthering their education at trade schools, colleges, and universities.

This year, the cooperative awarded 14 scholarships. The recipients, high school attended, and their college choice are:

Izabelle Beck	North Sargent	Valley City State University
Brandt Larson	Milnor	North Dakota State University
Tyler Wittich	Sargent Central	University of North Dakota
Jessica Kuchera	Wyndmere	University of Jamestown
Hailey Waloch	LaMoure	North Dakota State University
Maxine Ebel	Lidgerwood	ND State College of Science
Ty Alber	Litchville/Marion	ND State College of Science
Makenzie Knight	Montpelier	Valley City State University
Sydney Kleingartner	Gackle/Streeter	Bismarck State College

Maren Berntson	Kulm	North Dakota State University
Bridger Mathern	Edgeley	ND State College of Science
Jozy Kadoun	Oakes	Valley City State University
Jasmin Mauch	Hankinson-Mantador	North Dakota State University
Alexis Hendrickson	Wahpeton	North Dakota State University

As the cost of a college education continues to rise, Dakota Valley Electric Cooperative is honored for the opportunity to play a small part in the education of these young adults, and contribute to the success of the communities where we work and live.

These scholarships are available to high school seniors of any school in Dakota Valley's service area with an established scholarship program.

While Dakota Valley Electric provides the funding for these scholarships, recipients are selected by their school's scholarship committee, according to criteria established by each school.

Students who will be graduating in 2021 should contact their school's counselor or scholarship committee for information on how to apply for next year's Dakota Valley Electric Cooperative \$1,000 scholarship.
